### **IBS Global Consulting Celebrates 10 Year Anniversary**

*Woman-Owned Global Management Consulting Firm Reaches New Milestone*

**Troy, Michigan--(April 8, 2019)** – IBS Global Consulting, a global management consulting firm headquartered in Troy, Michigan, announces it has achieved another major milestone as a woman-owned business by celebrating 10 years in business.

Founded by Tonya McNeal-Weary, an Accredited Management Consultant (AMC) and global entrepreneur, IBS Global Consulting provides innovative marketing and business development solutions for small and medium-sized companies looking to expand internationally. Over the course of a decade, IBS Global Consulting has assisted its clients in reaching new markets and building successful business operations abroad.

IBS Global Consulting will be traveling across the country celebrating their anniversary at major events in the USA and abroad. The celebratory tour begins with the Women Economic Forum (April 11-13) in New Delhi, India and Global Entrepreneurship Congress (April 16-17) in Manama, Bahrain.

“We are proud to celebrate our global consulting team, partners and clients that have been an integral part of our growth and success,” said Tonya McNeal-Weary, Founder and Managing Director of IBS Global Consulting. “Moving forward, our focus will remain on offering superior service and delivering results-driven solutions from beginning to end to our clients,” McNeal-Weary added.
